Highlights

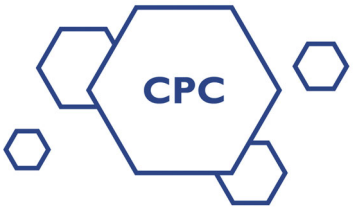
Step 2

Up to 80% of bad breath comes from odor-causing bacteria that hides in the uneven surface of the tongue. The active ingredient in the BreathRx tongue spray kills bad breath bacteria on contact and neutralizes odor-causing gases. The flexible BreathRx tongue cleaner gently removes bacteria build-up from the tongue.

2 Sides

Two cleaning sides for a customizable cleaning experience. Choose Regular for a deep clean or Soft for sensitive tongues.

CPC



CPC, a powerful antibacterial ingredient, attacks and kills bad breath bacteria on contact.

Zytex

Zytex, our unique blend of zinc, and thymol & eucalyptus essential oils, neutralizes bad breath odors for instantly fresher breath.

3 Steps

Don't just mask odors, eliminate them in 3 easy steps - brush, scrape, rinse. Step 1: Brush away odor-causing plaque with BreathRx Whitening toothpaste. Step 2: Get to the bacteria that hides within the uneven surface of your tongue with the BreathRx tongue spray and tongue cleaner. The active ingredient in the spray kills bad breath bacteria on contact and neutralizes odors. The flexible tongue cleaner gently removes bacteria build-up from the tongue. Step 3: Rinse away the remaining germs and debris with the BreathRx antibacterial mouth rinse.
